Overview

BUILDING FUTURE PATHWAYS

The rangatahi of Invercargill aspire to meaningful careers, however jobs can be hard to find and stay in. We want to provide young people with support and opportunities to explore new possible futures, experience employment and build a career which is meaningful to them.

Our vision is for all rangatahi in Invercargill to have access to a wide range of future opportunities. This programme supports Rangatahi to explore different pathways and to feel valued and excited to make choices for their future.
